Graze Hill Reserved Matters Application

Following a change in the rules we called in this application to committee. There are a number of reasons for the call, but fundamentally there was a concern that the proposals were not in accordance to the Borough's detailed design policy or the design code including; inadequate parking spaces for visitors, the adequacy of the road layout for vehicle turning especially refuse and emergency vehicles), sustainable drainage, landscaping and car parking for visitors to the country park. We expect further plans to be submitted to address these issues and we will continue to liaise with officers.

Dog Fouling

We are aware that dog fouling unfortunately remains an issue- we are able to order posters to remind those not clearing up after their dogs of their legal duties. If there are particular areas where you think this would be useful as your Borough Councillors can ask for these.

Budget 22/23

At Full Council on Wednesday 2nd February, Bedford Borough Council agreed to raise Council Tax by 3.99% after rejecting the Conservative amendment to freeze Core Council Tax.

The Council Tax resolution which includes all of the Parish Council precepts, went through at Full Council on Wednesday 23rd February and you can see that in full here:

On-going road works

A number of concerns have been raised to us about the ongoing road works and access to properties – if there are specific issues you have and you think we can assist please do let us know.

East West Rail (EWR) update

All Councillors have been invited to a meeting with East West Rail to discuss the forthcoming line. Councillors from all parties have expressed dismay at residents not being invited and hope for more two-way communication in the process.

The first meeting for representatives of the Bedfordshire Group took place on Wednesday 2nd March 2022 and included a discussion on when public consultation will take place and what the terms of reference of the meetings should be.

EWR stated that the consultation responses are still being reviewed and considered and a report is due in Summer 2022.

You can read more about it here: <https://www.bedfordindependent.co.uk/frustration-that-residents-are-excluded-from-east-west-rail-community-discussions/>

Bedford Borough Council Launches Fly-Tipping Information Appeal

Bedford Borough Council has invested in new, portable CCTV cameras that they are deploying at fly-tipping hotspots around Bedford Borough.

The footage will be posted on the Council's 'Caught on Camera' webpage at www.bedford.gov.uk/caughtoncamera. Residents are being urged that if they recognise a vehicle or an individual, to let the Council know on that webpage to assist in their investigations.

Bedford bus station has deep clean

Over the weekend of February 25-27, Bedford Borough Council commissioned a deep clean of the bus station in the town centre.

General neglect and pigeons within the building are blamed, the portfolio holder for Environment and Transport said that 'the Council is looking to implement further pigeon prevention measures'.

There are further reports by bus users of drinkers in the bus bays and unsubstantiated reports of drug use within the station, however there has been no update on what action will be taken over the anti-social behaviour.
