Concessionary fares are valid on all services.

The Government's single fare scheme of £2 has now been extended to the end of December 2024 for Stagecoach & UNO services. Grant Palmer had not previously participated but following discussions with the Department for Transport agreed to do so from 1 November.

For Stagecoach services within the urban area it is recommended that a **Dayrider** is purchased for more than one journey or a **7 or 28 day Megarider** for more than six journeys per week obtainable from the driver of the first bus used.

Bus operators Stagecoach, Grant Palmer and Uno in conjunction with Bedford Borough Council's '**Cygnets**' pass operates as a paper ticket and allows bus users to switch freely between the three operators without the need to buy multiple tickets.

The Cygnets travel zone equates to the area currently covered by the Stagecoach Megarider and includes the whole of Bedford and Kempston, as well as surrounding villages such as Bromham, Clapham, Cople, Wilstead and Wootton. The pass costs £6 for a day ticket, with the weekly ticket priced at £18 and can be bought from the driver of the first bus on which you travel.

Within Bedford Zone 1 (which includes Brickhill) Grant Palmer's fares are a day ticket at £5, a week at £16 and a month at £60.
